### **Announcement and Specification**

Follow competition program and updates at [www.eshavk.org](http://www.eshavk.org).

### **Explanations About The Competition**

- ✓ In the training, the pilots will put on their own catapult bungees and make their flights. (Establishment of catapults on runway 34 and runway 29, catapult iron bars, etc. materials, pilots being on the runway is strictly PROHIBITED). Catapult iron bars and parachute mounting metals will be ready in the field.
- ✓ The number of lanes to be opened in the competition will be determined by the number of teams as of the end of the registration.
- ✓ A matrix will be created according to the number of competitors and the number of lanes to be established. If the number of competitors is more than 36 pilots, the rounds will be divided into two. Rounds will be run by the competition director according to weather conditions, number of competitors and round flow. Number of competition rounds or fly-offs It is at the discretion of the Competition Director to change the number of rounds according to the field and weather conditions.
- ✓ Fly-Off : From the competitors who get points as a result of normal round flights, Fly-Off will be determined in the number of lanes established in the field (For example , the number of lanes is eight. The first eight pilots in the general classification fly fly-off ).
- ✓ Those who will fly with a transmitter other than 2.4 GHz must report at least two frequencies. It is forbidden to make training flights, to fly near or over the field during/between the competition, to use a radio-controlled land vehicle or any model aircraft outside the control of the competition director!
- ✓ Each team is kindly requested to bring their own portable chair, sun shield tent or umbrella.
- ✓ Within the boundaries of THK İnönü Aviation Training Center, it is obligatory to comply with the THK rules and the current Covid-19 pandemic rules of the TR Ministry of Health and the Ministry of Interior Affairs.
- ✓ Participants in the organization are deemed to have accepted the rules of the competition.
- ✓ The organizer may make changes in the competition program and its applications according to the developing conditions.
